Dear A.J.:

I just wanted to send you a quick note to let you know how much I enjoyed working with you on the Performing Arts Center. Your quick responses to my inquiries were very much appreciated. I work with many subcontractors on a daily basis and it is always a pleasure when I speak with one that is very knowledgeable on the construction of APS facilities and understands the scheduling issues and workloads we all face.

Thank you again for all of the effort from yourself and your crew on this project. I hope to work with you again in the future. Good luck!

Sincerely,
